PROTECTION

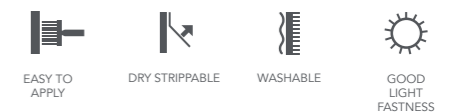

DESCRIZIONE / DESCRIPTION

Prodotto storico firmato Zambaiti Parati, creato dal saper fare artigianale. Il supporto offre prestazioni eccezionali per il settore contract e residenziale grazie alle certificazioni di cui gode, in particolare per la resistenza al fuoco, il trattamento antibatterico e la resistenza alle abrasioni e agli urti. È estremamente piacevole al tatto per via dell'effetto rilievo generato dal processo di goffatura che riproduce una trama tessile. La base digitale Protection è disponibile anche oro ed argento.

Historic product of Zambaiti Parati, created by artisanal know-how. This material offers exceptional performance for the contract and residential sectors, thanks to its certifications, in particular for fire resistance, antibacterial treatment and resistance to abrasion and bumps.
